500NXH HIGH BACK

Luxury Slimline

The 500XH Luxury Admiral offers unmatched quality and comfort for those looking for a high back luxury helm seat. The sparkling chrome & stainless finish accents the finest interiors while the supple upholstery wraps you in total comfort. Ergonomic features include a three-position adjustable headrest that puts this seat in a comfort class by itself.

"A LITTLE" ABOUT THE SLIMLINE

STIDD Systems' Series 500N "Slimline Admiral" is the perfect solution for applications where space is tight. Now you can enjoy all of the comfort and quality of a full size STIDD seat in less space. Choose from 500N Slimline Low Back or 500NH Slimline High Back models.

STIDD Slimline 500N and 500HN seats are 5" narrower arm-to-arm than standard STIDD 500 Series, they are only 1 1/2" narrower in seating width making them feel just as comfortable as a full-sized seat, even for full-sized occupants. Slimline seats are also 1" shallower fore/aft and the X2 footrest is 1" higher, conforming to the requirements of our ergonomic database.
